SCENES FOLLOWING THE GREAT EX- PLOSION AT MORGAN

Above—A general view of the destruction of the Gillespie loading plant, showing how the buildings were levelled as if by shellfire.
Copyright, Underwood & Underwood.

The greatest explosion of all, shortly after noon on October 5, sent a smoke cloud of stupendous proportions miles high in the air.
Copyright, Central News Service.

Huge trees, miles from the plant uprooted by the TNT explosions.
Underwood & Underwood.

Red Cross nurses, motor corps girls and soldiers worked like Trojans caring for injured and homeless.
Copyright, Underwood & Underwood.

The roads leading from the stricken towns nearest the explosion were crowded with terror stricken refugees, presenting a picture like those in France when the Hun passes.
